LAUGHTER IS THE BEST MEDICINE

This American tourist sat with the locals in a Samoan village around a kava bowl [tanoa ava] and talked about how big things are in his country. He tried to be as simple as he could for his listeners: 'cars-Big, farms-Big, people-Big, White house-Big, burgers-Big.' Just then a lean sow [aumatua] whizzed past. 'What's that,' asked tourist. 'RAT-BIIGG,' replied locals. 'Wow,' responded the shocked tourist. Then a half-naked drunk with a full tattoo [pe'a] zigzagged past, 'What's that,' asked tourist. 'BAT - B I I I I G G G,' replied locals.
